Nature En Ville
Restaurer et valoriser la nature en ville

State of Ecological Restoration in Finland – SER Europe 2021 Webinar Series

10 février

Dr. Anne Tolvanen, Natural Resources Institute Finland (Luke)

This is the very first of a webinar series to be held by SERE in 2021 – Every 2nd Wednesday of the month 18hr CET a SER-E member will lecture us on the State of Ecological Restoration on her/his Country, followed by a Q&A and a conclusion on best practices and further research+innovation networking.

Would like you to present your country, region or landscape in a webinar? Write us an e-mail
