

URBAN GreenUP NBS Webinars Series - N°1: Re-naturing Urbanization

2 mars 2022

The URBAN GreenUP NBS Webinars Series presents some of the most interesting and innovative Nature-Based Solutions (NBS) implemented in the cities of Valladolid (Spain), Liverpool (UK) and Izmir (Turkey) as part of the URBAN GreenUP project. The 1st webinar will focus on NBS implemented in the area of re-naturing urbanization. The event is free of charge.
